

FIRE FIGHTER

TECHNICAL SERVICE INFORMATION

THE GOODYEAR NAME

GOODYEAR'S role as a major player in the shoe manufacturing and repair industries is almost as long as its better known role in the tire industry. Charles Goodyear actually made the first "sneaker" 100 years ago, before **GOODYEAR** became a world leader in automobile tires. **GOODYEAR** is a proven leader in performance rubber products.

GOODYEAR CERTIFIED PERFORMANCE PRODUCTS

Fire Fighter compound is specifically formulated for use in high temperature applications. It exhibits self-extinguishing characteristics.

APPLICATIONS:

FIRE FIGHTER: FF has been compounded in conjunction with **NFPA** standards. Caution is urged when this product exposed to flame & extreme temperature. This product should be tested in your application to determine its suitability & flammability characteristics.
